

Institution-Industry Cell (IIC)

Date:08/05/2025

Composition of the Institution-Industry Cell

The committee is typically composed of internal academic leaders and external industry experts to ensure a collaborative approach.

Sl. No	Designation	Role in Cell
1	Krishna Rani	Chairman
2	Dr. Shubham Grover	Coordinator / Convener
3	Mr. Anil Kumar	Industry Member
4	Vineet Singh Godara	Member Secretary
5	Vishal	Members
6	Rakesh Kumar	Member

Core Objectives

- Quality Synchronization:** To align the quality of education and curriculum with current industrial trends and demands.
- Employability:** To produce "Industry-Ready" graduates equipped with the practical skills necessary for immediate employment.
- Knowledge Upgrading:** To provide facilities and platforms for professional engineers and technologists to upgrade their knowledge in line with industrial growth.
- Integrated Training:** To incorporate industrial training and practical inputs directly into the student development lifecycle.
- Mutual Expertise Sharing:** To create a bridge for sharing experience and technical expertise between the institution and industry for mutual benefit.

Key Functions

To achieve these objectives, the IIC at KVMT performs the following dedicated functions:

- **Continuous Training Support:** The cell actively encourages and coordinates student participation in industrial training programs to master the latest technologies.
- **Expert Engagement:** Organizing frequent guest lectures and webinars by industry veterans to familiarize students with modern industrial practices and "workplace culture."
- **Field Exposure:** Scheduling regular industrial visits for both students and staff to observe and learn from real-world industrial operations and large-scale manufacturing processes.
- **Technology Integration:** Identifying gaps in current lab facilities and recommending upgrades that reflect the tools and software currently used in the industry.
- **Collaborative Growth:** Initiating MoUs (Memorandums of Understanding) with local and national industries to secure priority internships and placement opportunities for KVMT students.
